

Session 1: Introduction to EASA webinar #1 homework

Learning objective: For students to have the opportunity to demonstrate and apply their knowledge and skills related to the successful delivery of community education and outreach for EASA programs.

Assignment: Select and design an actual education and outreach presentation that you plan to provide in your community. Choose a specific audience for your presentation. Use the EASA presentation worksheet to structure the planning process and presentation. Complete the three sections on the worksheet: 1) Preparation, 2) Messaging, and 3) Follow-up plan.

Materials: Community education worksheet and community education planning steps handouts located in your Introduction to EASA training folder.

Completion: Submit the completed worksheet to Tamara Sale, salet@ohsu.edu and Katie Hayden-Lewis haydenle@ohsu.edu.
