

We would like your input and participation!

If you are an adult family member, friend, or other supporter of a loved one in EASA (past or present)

Please join us virtually on the 4th Thursday of the month from 6:30-8 pm for our Family and Friends Leadership Council meetings!

The EASA Family & Friends Leadership Council (FFLC) is a group of people who have a loved one currently involved with EASA or an individual who has already graduated. The EASA FFLC brings families and friends together to inform improvements to EASA programs and to build strong advocacy for EASA in Oregon. You can read more about FFLC on our website: <https://easacommunity.org/family-and-friends-leadership-council/>

Centering the voices of families and supports of individuals currently in EASA and those who have completed EASA is a critical part of ensuring that people receive the care that they need.

Please request more information about joining the meeting by emailing Megan Sage at sageme@ohsu.edu, Karma Clarke-Jung at clarkejung@ohsu.edu, or Isabella Orozco at orozcoi@ohsu.edu

Please let us know if you need any language interpretation services or other accommodations.

We look forward to hearing from you!
