

We would like your input and participation!

If you are an adult family member, friend, or other supporter of a young person in EASA (past or present)

You are invited join us online the 4th Thursday of the month from 6:30-8:00 pm

The EASA Family & Friends Leadership Council (FFLC) is a group of people who have a young person currently involved with EASA or someone who has already graduated. The EASA FFLC brings families and friends together to inform improvements to EASA programs and to build strong advocacy for EASA in Oregon. You can read more about FFLC on our website:

Centering the voices of families and supports of individuals currently in EASA and those who have completed EASA is a critical part of ensuring that people receive the care that they need.

Request an invitation by emailing Megan Sage at sageme@ohsu.edu or Isabella Orozco at orozcoi@ohsu.edu

We can provide support in accessing the online meeting as well as language interpretation services. Please let us know if you need any accommodations.

We look forward to hearing from you!
