EASA Center for Excellence

EASA Learning Collaborative Meeting

Role-based Breakout Groups

Discussion Prompts

- Share your initial responses to the presentation.
- What issues, concerns, questions, or thoughts are top of mind following the presentation?
- What were your key takeaways and how do you plan to implement what was learned?
- What will you change or develop practices to address substance use in your role on the team?
 - Think about individual and family psychoeducation if applicable.
